HAGERTY

In 1984, classic car and boat enthusiasts Frank and Louise Hagerty couldn't find insurance for their treasured wooden boats, so they created their own. In the four decades since, Hagerty has become the global leader in collector car, motorcycle, truck and boat insurance, with offices in the U.S., Canada and the U.K., and has expanded beyond insurance to offer vehicle valuation tools, the award-winning Hagerty magazine, roadside service built for classics and much more.

Everything Hagerty does is built around a passion for cars, and a sincere desire to make the experience of owning classics better. They do this by offering Guaranteed Value coverage and claims handled by collector car experts, along with content and resources directed at automotive enthusiasts. Hagerty also works to keep car culture alive through their advocacy efforts, including the Driving Experience which teaches young people to drive a manual transmission; the RPM Foundation which funds careers in restoration and preservation; and support of the Historic Vehicle Association's mission to preserve automotive history. FLEA MARKET SHOPPING TIPS

2019 SPRING CARLISLE AUTOMOTIVE FLEA MARKET

- 1 BRING CASH**
The more the better. It's hard to negotiate a deal without being able to pay.
- 2 WEAR COMFORTABLE SHOES**
It's a lot of walking.
- 3 SUN BLOCK**
You'll be in the sun all day. It's especially important at Spring Carlisle because it's usually your first prolonged exposure to the sun for the year.
- 4 REMEMBER THE SPACE**
Take a picture of the space location or write it down. Every space at Carlisle has a disk to designate the space. Don't try to remember the space or the surrounding area. You'll spend the rest of the day looking for it.
- 5 COME EARLY**
Rare parts and great deals typically happen for the first person to find them. Set up day(s) and the first day of the event are for the serious shoppers.
- 6 ACT FAST**
If you see a great deal, grab it. If you plan to come back later, it will probably be gone.
- 7 NEGOTIATE**
It's a flea market so don't be afraid to make a REASONABLE offer.
- 8 EXPECT THE UNEXPECTED**
Chances are good that you will find something you weren't planning to find so keep your eyes open.
- 9 LOOK EVERYWHERE**
Even if you are looking for Chevy parts, don't walk past the guy selling Ford parts without at least scanning his space. It might even be cheap since it's not what he typically sells.
- 10 USE THE CARLISLE EVENTS APP**
Use the FREE Carlisle Events app to easily find your way back to a vendor (if you know the row and space).
- 11 STAY LATE**
Good deals happen early and late. Vendors are typically more willing to negotiate when they are packing up – especially large items.
- 12 BRING A LIST**
Our memories aren't as good as we think. Write it down. You can even make a list on your phone. Take pictures of what you need.
- 13 BRING A BAG, CART, ETC.**
Parts will get heavy so have a way to carry your purchases. Ask the seller if you can leave heavy parts until later; and write down the location.
- 14 HAVE IT HAULED**
Carlisle Events offers parts hauling. Keep that in mind if you're looking at an engine, transmission, truck bed, etc.
- 15 ASK!**
If someone has parts for a vehicle but not the ones you need, ask if the seller has it. It might still be in his truck or at home. Even if he doesn't have it, he might know someone who does.
- 16 KNOW THE VALUE**
Do some homework on the parts you're looking for so you know if the price is a good deal.
- 17 AVOID THE CROWDS**
When you arrive, go to an out-of-the-way area to start rather than following the herd.
- 18 WALK IT ALL**
Don't miss any rows. The Carlisle Fairgrounds isn't a perfect grid so make sure you hit every row and space.
- 18 ADVERTISE**
Wear a hat or shirt showing your "brand" as it might create a conversation – especially if you're into a really obscure brand. Don't be afraid to wear a sign advertising what you're looking for.

CARLISLE HIGH SCHOOL GRADUATION PARADE

An Intern who, In Turn, Did Something for Her Alma Mater

By Michael Garland

Most anything slated for after March 13 of 2020 has gotten a pretty raw deal due to COVID-19. Entertainment venues have been forced to shutter, mom and pop shops have struggled to stay afloat, take out and curb side have become the new normal food-wise and we've all learned a new term; social distancing. Another major aspect of this time of year (aside from car show season) that's taken a big hit has been graduation at all levels; from Kindergarten ceremonies to college graduations and everything in between. Maybe those don't matter as much to some, after all in one case you're 5, maybe 6 and you likely won't remember it. On the college level, it's a major accomplishment for those around you, but you're 22 and likely ready for the "real world." High school graduation is a different story though, as you're still an impressionable youth that has many years of uncertainty in front of you; you're saying goodbye to friends and family, goodbye to a school that's molded you. It's your last chance to walk across the football field, your last chance to interact with people you literally may never see again and your last chance to be a kid before the realities and weight of undergraduate work and all that comes with college takes over your life.

There are many school districts within a 50 mile radius of the Carlisle PA Fairgrounds, but none closer than Carlisle Area School District. The school's band boosters group anchors a food stand within the food court as a means to support the band and one of their elementary schools borders the property. We have Carlisle High School graduates on our staff and we've hired Carlisle High School graduates as interns over the years as well. One such intern, Mackenzie Jameson, worked for us in 2019. A 2017 graduate of CHS, Mackenzie now studies at East Carolina University in Greenville, North Carolina and is a

Sports Marketing major.

Using her skillset from her time at ECU, McKenzie also was able to tap into experiences gained at Carlisle during the record-setting 2019 car show season. Having spent a summer working with event planners, event marketing team members and mingling with guests in a real-world situation, she knew how to pull together an event. But...while the excitement of a car parade would likely turn heads and the people were there in the form of CHS seniors and an eager community willing to support her, where would the cars come from? Again, Jameson was able to connect her past experiences with her current ventures and when she reached out to us for contacts on car groups and clubs for help, we were happy to oblige.

E-mails were sent and phone calls were made. Before long, she'd secured support from Carlisle Mayor Tim Scott along with the Cumberland Valley Corvette Club, Blue Moon Cruisers and Cumberland Crawlerz clubs, she quickly found her cars. Students who participated in the May 30, 2020 parade hoped in cars, trucks and jeeps and made their journey around America's Automotive Hometown, earning smiles and waves from their community, while also getting a chance to show off their Thundering Herd pride.

"The goal was to offer these young men and women a chance to have something they were otherwise not going to have this year," noted Jameson. "This is something special, something they will always remember."

Carlisle Events would like to thank McKenzie Jameson, not only for her time in our office last year, but for her efforts on this amazing project and its subsequent execution. We'd also like to offer recognition to the Carlisle Area Senior High School Class of 2020. We wish you nothing but the best going forward! Finally, thank you to the car clubs and their members who were eager to participate. You showed a community just what passion for a cause is all about.

REVITALIZATION PROJECT

Carlisle Events purchased the site of the former International Automotive Components (IAC) plant, located on Carlisle Springs Road, three blocks from the Carlisle Fairgrounds, in 2008.

The site was cleared, plans were made and approved, red tape was cut, roads and sidewalks were built and trees were planted.

Homewood Suites is taking shape! Soon to follow will be a full-service restaurant, apartment buildings, townhouses and more!
