## Special Guest Cristy Lee

Cristy Lee, of numerous shows on MotorTrend Network including All Girls Garage, Garage Squad, Barrett-Jackson Auctions and more, will be here Friday and Saturday. Cristy is also a spokesperson for Dodge and has appeared in several commercials including the one with the Hellcat Sleigh and Bill Goldberg.

Cristy is a true automotive enthusiast and avid motorcyclist. Her father was a mechanic and shop owner, so she literally grew up around cars and motorcycles. Cristy used to help her dad in the garage and she spent time flipping the pages of his car magazines. After college, she moved to Detroit and one of her first jobs was on the auto show circuit as a Narrator for Chrysler/Dodge/Jeep. See the schedule for appearance times and location.

## FREE EXPERT SEMINARS

Attend as many free seminars as you can to learn from the experts! Use the free Carlisle Events app to set reminders in your phone. See schedule/map for times and places.

### AAR & T/A Workshop

BY JEFF BANGERT AND BARRY WASHINGTON

#### AAR & T/A 50th Reunion Tent (east of the stage)

To celebrate the 50th Anniversary of the Trans Am cars, we have teamed up with Jeff Bangert of the AAR Registry and Barry Washington of the T/A Registry to talk about these cars and to answer your questions. They will have original, unrestored cars on hand to use as examples to show you how the factory built these cars. If you have questions about your car, bring them. If you are just interested in these cars, or maybe you're thinking about buying one, this seminar will be a wealth of knowledge.

### 3rd Gen Hemi Swaps

#### Held at the Stage/Grandstand

The hottest trend in the Mopar hobby is still 3rd Gen Hemi swaps and we're here to help. Our panel of experts keeps growing and so does the knowledge base...and so do the questions! Not only do we have amazing presenters, we have an impressive audience, too. Each year they bring great questions and sometimes they also have some answers. Everyone is here to help and if you're considering tackling a swap, you absolutely need to attend this seminar. This team can handle pretty much any topic from carbs vs EFI to transmission choices, ECU options and more.

### Performance Presentation with Herb McCandless

#### Held at the Stage/Grandstand

Herb McCandless is a drag racing and Mopar legend. You can always count on Herb for cool stories and technical advice but this year, he's going to do something a little different. As we're social distancing and we're using the stage for the seminars, Herb is going to bring himself and some cars to you for this presentation. Three cool cars from the McCandless Museum will parade to the stage to be used as a backdrop while Herb shares some of his knowledge from his decades in the Mopar hobby.

### Restorers' Roundtable

#### Held at the Stage/Grandstand

Our Restorers' Roundtable seminar has been one of the most attended seminars we've ever done so we just had to bring it back. Our panel of restoration experts will gather at the stage to share their tips and tricks as well as answer your questions. Keep in mind, these folks are some of the best in the business and they are more than happy to share their knowledge and experience with you. Listen as they divulge decades of information or bring your specific questions. The best part is, you can get multiple perspectives because there usually isn't one correct way to do something.

## Young Guns Classes

**SPONSORED BY MOPAR MUSCLE MAGAZINE**

We were all there at one time or another – being the young person in the Mopar Hobby. Not only is the younger generation the future of the hobby, but we want to encourage them to participate and bring their fresh perspective. Currently, three different classes are offered: Rear Wheel Drive, Truck/Van/SUV and Front Wheel Drive/All Wheel Drive. The goal is to give the Young Guns an area where they can network with their peers and call special attention to their efforts. Classes are open to licensed drivers, age 16-25. Judging is by participant ballot.

## Participant Judging

All showfield participants must check in at the Guest Services building for their goody bag, dash card and judging sheet. The judging format is by participant ballot. All showfield participants are to choose their favorite car from each class listed on their ballot Saturday 1-4 PM. **Ballots are due by 4:15 PM.** The three cars receiving the most votes in each class will be posted on the Winners' List Sunday morning. (See Winners' List & Awards.)

## Celebrity Choice Judging

All showfield participants are eligible for a Celebrity Choice Award. Celebrity judges make their selections on Saturday by placing a certificate and sticker on the vehicles they choose. Awards are available Sunday.

## Club Challenge & Coolest Club

We've challenged clubs to see who has the most vehicles here. The top three receive awards. Additionally, we offer free rental of a tent to those who have 25+ vehicles. There is also an award for the Coolest Club Hangout which is chosen by our staff.

## Winners List & Awards

Winners of the participant judging, celebrity choice judging and club challenge will be posted on the Winners' List at 9 AM Sunday on our website and outside of Guest Services. After checking the list, winners should pick up their award in Guest Services. Winners may participate in the Awards Parade. Official award parade photos are taken by Eagle Productions Photography and are sold at their booth under the Grandstand.

### **IF YOU ARE UNABLE TO BE HERE ON SUNDAY:**

If you are unable to pick up your award, you have three options:

- 1) pick it up during another event (for up to one year);
- 2) pick it up at our office Mon.-Fri. 8 AM - 5 PM; or
- 3) pay to have it shipped to you. Fees: \$15 (U.S.A.) or \$20 (Canada). Visit **store.carlisleevents.com**, select the event, then choose Award Shipping.

## Special Guest Butch Leal

Butch Leal was one of the most versatile drag racers of his time and even to this day. He competed in numerous different classes throughout his illustrious career. In fact, Butch is one of a few racers who won national events in three categories: Pro Stock, Modified and Super Stock. He drove for all of The Big Three, but he spent most of his time, successfully, driving Chrysler products. See the "California Flash" Duster in Building T and check the schedule for appearance times.

# FEATURED VEHICLE DISPLAY: MOPAR SURVIVORS

## Mopar Survivors

Each car in the Mopar Survivors tent has its own story but one thing they all have in common is that they are AT LEAST 85% original and 25 years old or older. These cars are not “restored to original.” Rather, they still retain a minimum of 85% of the parts and finishes that were installed at the factory. That means original paint, interior and drive-train.

Minor repairs and maintenance are acceptable, but pretty much everything else needs to be as it came off of the assembly line. Survivors aren’t always perfect, but that’s part of what makes them so cool. They were born with some orange peel and maybe even a dirt nib or two. And those chips and scratches were earned along the way.

The Mopar Survivors tent is located across from Guest Services and is home to 30 unrestored, original Mopars. They are a great reference for those restoring a car or it’s great just to hear each car’s story. Pictured here are the cars that have never been displayed in the Survivor tent at Carlisle. Stop by and see this incredible display of original Mopars and while you’re there, please thank Mel Major for putting this together for more than 20 years!
